AREAS OF PROFESSIONAL COMPETENCE

Prior to joining Jawad Habib & Co. as Manager in 1986, Abbas worked for two international accounting firms in Bahrain and the USA. During his 15 years of experience in the field of auditing major public and private sector organisations and financial institutions, he participated in the audits of significant companies in Bahrain such as Arab Ship Building & Repair Yard, Bahrain Petroleum Company, Bahrain Aluminium Company, National Bank of Bahrain, Bank of Bahrain & Kuwait, Al Ahli Commercial Bank, Citibank and Chase Manhattan Bank.

He was a member of the team which finalised the audit of Bahrain Oil Company prior to its acquisition by the government in 1980 and his responsibilities now include managing the audits of local trading companies, financial institutions and quasi-governmental organisations.

He has gained deep experience in providing Commercial and Business Advisory Services specifically relating to companies registration, flotation of public share holding companies, registration of Trade Marks and other expertise related to protection of intellectual properties.
