Professional Experience

- Chief Legal Officer – AABH B.S.C@.
Chief legal officers are chief lawyers and have the responsibility of overseeing every legal aspect of a business and advice the business when changes are made to the laws. In addition, a chief legal officer is often responsible for investigating issues of non-compliance and suggesting measures to take if non-compliance starts to become a bigger issue. In cases where a business is involved in a lawsuit, the chief legal officer may act as the chief litigator.
- Legal Advisor – Corporate Lawyer with a Bachelor's of Law, more than 22 years of professional experience and possesses analytical skills tracing vital Legal issues.
- Review & negotiate International Agreements, Participating Arbitration claims and Litigations with different Law Firms in Bahrain.
- Well known about UNCITRAL Model Law on International Commercial Arbitration (1985), with amendments as adopted in 2006.
- Well known about mode of Arbitration and procedures according the Arbitration law of Bahrain No. 9/2015.
